

SYMPHONIC ORCHESTRA OF THE LISZT ACADEMY – CONCERTS, SCHEDULES AND REHEARSALS

Dear Musicians,

On Ferenc Liszt's birthday, the symphonic poem Orpheus, the Piano Concerto in E flat major and Saint-Saëns' Organ Symphony all acted as "spiritual medicine"!

Inspired by Gábor Takács-Nagy, you were able to realize the essence of "HOW" to perform music!

I feel that the orchestra gave an outstanding performance, presenting the symphony in such a vivid and musical way!

I found the oboe, English horn, and clarinet solos in both halves to be very impressive; thank you all for making music together, and congratulations from the bottom of my heart!

The sheet music for the concert on 14 November can be picked up at the Study Department!

Here you can see the concerts scheduled for the fall and the first draft of the schedule.

We will be rehearsing in the weeks leading up to the concerts, so please make sure you can attend all rehearsals and organize your other commitments accordingly!

Please return any orchestral scores still in your possession to office 13!
