MODEL TEST

NON-DEGREE COURSES

SOLFEGE-HARMONY

WRITTEN TEST

- 1. Write the name of intervals and triads under the given notes
 - M = major
 - m = minor
 - d = diminished
 - A = augmented
 - p = perfect

2. Write out the phrygian scale starting on the given note

3. Name the intervals and triads you hear (played each 3 times)

DICTATION (from basic to advanced level)

1. A classical unison melody (played 5 times) - only the starting pitch is given

2. Interval progression (played 5 times) - only the lower note of the 1st interval is given

3. Dictation in two parts (played 6 times) - clefs and the key signature are given

4. Notate the chord-progression you hear, pay attantion to the rules of voice leading (played 5 times) - clefs and the first note of the bass are given

5. Notate the soprano and bass parts of the chorale and analyse the harmonic progression (played 8 times) - first chord is given optional task: notate the inner parts

6. 20th century unison melody (played 6 times) - only clef and 1st note are given
